b. Applied Learning Courses (2025/27 School Year) (S4 Only)

Applied Learning (ApL) is a valued senior secondary elective subject, providing students with different learning experiences to broaden their horizons. ApL courses develop students' knowledge, skills, attitudes and values through practices and theories linked to the professional and vocational fields and enable them to experience how to apply knowledge and skills in the workplace. All students from Secondary 4 may apply for ApL courses of the 2025-27 Cohort. In normal circumstances, the duration of each ApL course is 180 contact hours, generally spanning two school years at senior secondary level (S5-S6). There are more than 55 ApL courses, covering six areas of studies. Courses are provided by EDB-approved providers.

Points for attention when applying for ApL courses:

1. ApL courses are fully subsidised by the EDB, and hence, students do not have to pay for the courses.
2. Each student can apply for a maximum of TWO ApL courses. If admitted, they can take ONE ApL course in S5 and S6.
3. The selection process by the course providers will be conducted on 3.5.2025 (Saturday) or 10.5.2025 (Saturday), and the shortlist will be released on 28.5.2025 (Wednesday). The parents of selected students will be notified through mail and have to sign to confirm students' elective courses in S5 and S6.
