a. **S1 “Guangzhou-Zengcheng School Visit 2024” Survey (S1 Only)**

To provide a life-wide learning opportunity for students to learn about the history and culture of Zengcheng, Guangzhou and to strengthen their understanding through sharing with local students, the Sister School Program & Exchange Tours Group of our school will organize a three-day “Guangzhou-Zengcheng School Visit 2024” for S1 students from 16.5.2024 (Thursday) to 18.5.2024 (Saturday). The activity will not only provide an exchange experience for our students, but also enhance their understanding of the overview of Guangzhou-Zengcheng, like the historical culture and the characteristics of the customs of those places. Through communicating, students in Zengcheng and our school will share the cultural characteristics of Guangzhou and Hong Kong with each other.

**The visit is a compulsory activity** and S1 students are encouraged to take part in this whole-form outbound learning activity. To better coordinate the activity, parents are now invited to decide on whether their child will take part in the activity or not. Students who do not participate have to hand in a parent’s letter to the school for explanation and attend school as usual.

S1 parents are invited to volunteer to help teachers take care of students, learn about their children’s campus life, and understand the culture of the motherland. Parents are welcome to sign up to participate.
